TERMS OF USE FOR WEBSITE / MOBILE APP

General conditions

Do you expect to make transactions with your users from your mobile app, in particular for the sale of products and services? *

In the event that you intend to make transactions from your website / mobile app, it would be important to have terms and conditions applicable to your website / mobile app.

TERMS AND CONDITIONS

1 TU - General conditions

2 TU - Property, trademark and copyright

TERMS OF USE FOR WEBSITE / MOBILE APP

Property, trademark and copyright

Do you have registered trademark(s)? *

In order to be effectively protected, a trademark must be registered with the Canadian Intellectual Property Office (CIPO). A trademark may include names, words, titles, expressions, logos, icons, graphics, drawings, domain names.

Yes

No

Do you have a business name that is yours? *

In order to be protected effectively, a business name must be registered with Quebec's enterprise Register or Corporations Canada.

Name reservation is optional, but it prevents a name that is identical to yours from being registered by another company.

Yes

No

Do you allow users of your website / mobile app to download content from your website / mobile app? *

Yes

No

What is the name of the person entitled to provide the authorizations to use, reproduce or publish information on your website / mobile app? *
